## **THE SUTTER'S MILL STORY**

Sutter's Mill was founded by Lee and Jerry Woods. They opened on the day before Thanksgiving in 1958 on the corner of Foothill Blvd & Sayre St. in Sylmar, Ca.

Two years later they opened a new restaurant on the corner of Sepulveda and San Fernando Mission Blvd in Mission Hills. The founder's son Joe Robinson and his wife Salli operated the business from 1974 until 1984, during which time they opened two more restaurants, one in Chatsworth and one in Santa Clarita.

In December of 2007 Joe and Salli opened Sutter's Mill in Simi Valley. They have remained true to the recipes and principles they learned from the founders and continue to serve up top quality foods and great service in a rustic steakhouse atmosphere.

Founder, Jerry Woods, had a motto which was "IF YOU ARE HAPPY WITH YOUR DINING EXPERIENCE, TELL YOUR FRIENDS, IF NOT TELL US AND WE WILL MAKE IT RIGHT". That motto and the spirit behind it is still followed to this day.

This year on the day before Thanksgiving we will celebrate our 59th year in business. Thank You and we hope you enjoy your time with us!!
